GoldenPoint Solutions LLC does business as GoldenPoint Scientific Laboratories and is headquartered in Pelham, AL. We offer Clinical Lab Services to Government and Private Sector Clients. We are focused on providing the highest level service and responsiveness.

We utilize some of the most advanced testing methods and lab technology. Our robust suite of validated testing services are likely to serve the needs of most Medical Practices, and Hospitals.

Through a dedicated array of healthcare solutions, we allow patients and doctors to ease through addiction consultation and treatment-process in full confidence that their information is guarded, secure, and always available in real-time.

Our in-house professionals and technology experts make the process possible.

The GoldenPoint Testing Laboratory utilizes a wide range of next-generation robotic Instruments, equipment and software to precisely run and report test panels as requested by our clients and patients.
Our highly trained scientists and lab technicians are process driven following a regimented test methodology from beginning to end.

All of our Laboratory processes are carefully monitored by custom software developed by our company. Our software platforms provide the highest level in process efficiency and chain of custody audit trail for test specimens.
