We are thrilled to announce that the West Point High School Fishing Team from Cullman, Alabama, has secured a spot among the Top 10 teams advancing to the National Championship.

This prestigious event will be held at Lake Hartwell, Green Pond Landing in Anderson, SC, from June 19-22, 2024. The team's outstanding performance and dedication have earned them this incredible opportunity to compete on a national stage.

Performance Excellence: The Key to Success

GoldenPoint Scientific Labs is proud to be the top sponsor for the West Point fishing team – recently recognized as one of the Top 10 Scientific Labs in the nation by Life Sciences Review Magazine 2023. Supporting a winning team is much like the pursuit of scientific excellence: both require dedication,

precision, and a relentless drive to be the best. Just as GoldenPoint Scientific Labs excels through meticulous research and innovation, West Point has demonstrated exceptional skill, strategy, and teamwork on the water. Both entities embody the spirit of performance excellence, continually striving to achieve greatness in their respective fields.

The Importance of Community Support

Community support plays a crucial role in team success. From local businesses and schools to family and friends, the encouragement and resources provided by the community help support our local schools and talent. This journey to the national championship is not just a testament to the talent and hard work of our anglers but also to the unwavering support from everyone in the Cullman, AL area.

National Championship Event Details

- **Event:** National High School Fishing Championship
- **Dates:** June 19-22, 2024
- **Location:** Lake Hartwell, Green Pond Landing, Anderson, SC
- **Highlight:** The winning team will receive scholarship money to support the school of their choice.

This event will gather the best high school fishing teams from across the country, all competing for top honors and the chance to bring home valuable scholarship money to their schools. It's an incredible opportunity for our anglers to showcase their skills, represent our community, and aim for the top prize.

Join Us in Supporting Our Team!

The West Point High School Fishing Team has had an outstanding season, showcasing their exceptional skills and dedication. They finished 10th in the state championship on the ABF Trail, securing their spot in the National Championship. Overall, they finished 20th in the state in AOY points on the ABF Trail, making them the top team at West Point High School.

Their remarkable performance includes a significant victory at the Lake Pickwick tournament, where they also achieved the distinction of catching the biggest fish. Among the many teams competing statewide, only three teams from Cullman County qualified for Nationals, highlighting the impressive achievement of the West Point High School Fishing Team.

As the West Point High School Fishing Team prepares for this monumental event, we invite everyone to join us in showing support. Whether through donations, words of encouragement, or attending the event, every bit of support will help this team strive for greatness.

Join us in celebrating the West Point Angler Team as they compete in the National Championship. Together, we can help them bring home the victory!
