

A Week Before Christmas Reflection – Celebrating Achievements and Gratitude

Description

As we approach the Christmas season, the team at GoldenPoint Scientific Labs takes a moment to express our heartfelt gratitude for your continued support and partnership throughout the year. It has been a year of significant achievements and milestones, and we are thrilled to share some exciting updates with you.

- 1. Top 10 Clinical Labs Recognition:** GoldenPoint Scientific Labs was named one of the Top 10 Clinical Labs in the US by Life Sciences Magazine. This recognition is a testament to our commitment to excellence and innovation in the clinical laboratory space.
- 2. Technology Powering Faster Results:** “Technology Powering Faster Results,” reflects our core philosophy. Speed to results is crucial in clinical laboratory testing, and we are dedicated to providing swift turnaround times through our advanced technology and expert team.
- 3. The GoldenPoint Difference:** As technology disruptors, our roots in software development have paved the way for a robust tech suite that sets us apart in the industry. Our optimized workflows, technical competencies, and expert staff ensure highly accurate sample test results with unparalleled speed.
- 4. Streamlining Analysis with In-House Driven Tech:** Our GoldenPointMD laboratory information system (LIS) and robotic testing services play a vital role in maintaining high-quality testing standards. These technologies seamlessly integrate with third-party systems, offering a single portal for ordering and viewing results.
- 5. Achieving Quality Analysis through Robotics:** Our robotic testing services cover a wide range of testing categories, including blood, PCR pathogen, allergen, microbiological, and urine toxicology. We

leverage automation to ensure precision and efficiency, with results available within 24 hours.

6. Walking the Talk with Proven Results: Our team of passionate, clinically-educated individuals and experts embrace technology to provide top-notch services. We maintain a cohesive environment where improvements are constant, ensuring high-quality results and continuous enhancement of our services.

7. Real-Time Access to Results: Clients can access results through various channels, including GoldenPointMD, email, text, or fax. Our platform consolidates and displays test results in real-time, allowing users to filter and locate entries quickly.

As we reflect on the achievements of the past year, we extend our warmest wishes to you and your loved ones for a joyful holiday season. Thank you for being an essential part of the GoldenPoint Scientific Labs journey. May the coming year bring more opportunities for collaboration and success.
