GoldenPoint is a High Complexity PCR Pathogen Testing; Blood Chemistry Testing; Whole Blood testing Services and Clinical Lab offering Services to Government and Private Sector Clients. We are focused on providing the highest level service and responsiveness to patients on behalf of our clients and partners.

GoldenPoint Scientific Laboratories, headquartered in Pelham, Alabama, is proud to announce that our high-quality laboratory services are now available to healthcare providers in Nashville and the surrounding Tennessee region. As a BCBS in-network laboratory, we are dedicated to supporting providers with accurate, timely, and reliable testing to enhance patient care across a variety of clinical settings.

We utilize some of the most advanced testing methods and lab technology. Our robust suite of validated testing services are likely to serve the needs of most Medical Practices, Hospitals and Reference Labs

We collect and deliver our Lab Results through our powerful software suite GoldenPointMD. Our platform offers streamlined collection, processing and resulting.

Recently named a **Top 10 Clinical Laboratory by Life Sciences Review**, GoldenPoint continues to lead the industry with innovation and commitment to excellence. Our tagline, **â€œTechnology Powering Faster Results,â€•** reflects our focus on delivering rapid, precise lab results using advanced technology and streamlined workflows.

Comprehensive Testing Services Across Tennessee and Alabama

GoldenPoint offers a broad suite of high-complexity testing, including:

PCR Pathogen Testing

Blood Chemistry Testing

Whole Blood Testing

Microbiology Services

Our validated testing services are designed to meet the needs of medical practices, urgent care centers, and reference labs across Nashville, surrounding communities, and our continuing service areas in Alabama. By partnering with GoldenPoint, providers gain access to state-of-the-art testing technology and efficient workflows, supporting consistent, high-quality care for patients of all ages.

Streamlined Laboratory Management with GoldenPointMD

GoldenPointMD, our secure software platform, allows providers to:

Order tests quickly and accurately

Track specimens efficiently

Receive results in real time

Integration with electronic medical records (EMRs) ensures that results are immediately accessible for clinical decision-making. This is particularly valuable for **pediatric practices and urgent care clinics** in Nashville and nearby communities, where consistent and rapid results enhance patient management and follow-up care.

Accuracy, Reliability, and Efficiency

Our team of trained scientists and laboratory technicians adheres to strict protocols, utilizing next-generation robotic instruments and dedicated PCR lab space to ensure precision and quality. Custom-developed software maintains a secure chain-of-custody for every specimen, giving providers and patients confidence in every result.

the GoldenPoint Difference

When you work with us, we will offer various options to integrate your specimen orders with our Lab partners. We use bidirectional interfaces to push orders with your requisition and patient documents. Inversely, results from the Lab are made available to our EMR for Doctors to access real-time, just in time for the patient's next consultation appointment.

Partner with GoldenPoint for Exceptional Lab Services

Healthcare providers in Nashville, surrounding Tennessee areas, and Alabama benefit from:

- Reliable, timely lab results for a wide range of patients
- Seamless EMR integration with GoldenPointMD
- High-quality PCR, blood chemistry, and microbiology testing
- Efficient workflows to enhance patient care

Whether you are managing routine blood work for pediatric patients, urgent care diagnostics, or complex testing needs, GoldenPoint is committed to supporting **consistent care and improving clinical outcomes**. Our team provides responsive, high-quality services, allowing providers to focus on patient care rather than logistics.

Providers in Nashville, surrounding areas, and Alabama interested in learning more about our services or integrating GoldenPointMD into their workflow are encouraged to **contact us today**. Experience the difference of **â€œTechnology Powering Faster Resultsâ€** with reliable, accurate, and timely laboratory testing for your practice.
