

CLOSED: PRN Traveling Phlebotomist â€™ Southern Alabama Territory

Description

GoldenPoint Scientific Labs is seeking a dedicated and reliable Traveling Phlebotomist to join our clinical team in Southern Alabama. If youâ€™re passionate about patient care, skilled in blood collection, and open to travel, we want to hear from you!

Position Overview:

As a PRN (as-needed) Phlebotomist, you will play a key role in supporting healthcare providers and patients by collecting high-quality specimens with professionalism and care. Travel is required throughout **Southern Alabama** to support our growing network of clinical partners.

Key Details:

- **Position Type:** PRN (as-needed)
- **Location:** Southern Alabama (Travel Required)
- **Starting Pay:** \$18.00/hour

- **Schedule:** Flexible, as-needed based on clinic or partner needs
-

Responsibilities:

- Perform venipunctures and capillary blood draws with precision and care
 - Label and process specimens accurately following laboratory protocol
 - Travel to various client or clinical locations within the assigned territory
 - Maintain a clean, organized, and compliant work area
 - Ensure patient comfort and safety throughout the collection process
 - Communicate effectively with patients and team members
 - Adhere to all HIPAA and lab compliance standards
-

Requirements:

- High School diploma or equivalent
 - Certification in Phlebotomy (CPT) strongly preferred
 - Minimum 1 year of phlebotomy experience
 - Valid driver's license and reliable transportation
 - Willingness and ability to travel across Southern Alabama
-

- Strong attention to detail, professionalism, and customer service
-

Why GoldenPoint Scientific Labs?

At GoldenPoint, we believe in *Technology Powering Faster Results* â€™ and that starts with compassionate, talented people on the front lines. When you work with us, youâ€™re part of a team committed to improving lives through innovation, precision, and purpose.

Ready to Apply?

Send your resume to sandy.agan@goldenpointmd.com.
