GoldenPoint is a High Complexity PCR Pathogen Testing; Blood Chemistry Testing; Whole Blood testing Services and Clinical Lab offering Services to Government and Private Sector Clients. We are focused on providing the highest level service and responsiveness to patients on behalf of our clients and partners.

GoldenPoint Scientific Laboratories, headquartered in Pelham, Alabama, is proud to announce that our high-quality laboratory services are now available to healthcare providers across the **Tennessee** region. As a BCBS in-network laboratory, we are dedicated to supporting providers with accurate, timely, and reliable testing to enhance patient care across a variety of clinical settings.

We utilize some of the most advanced testing methods and lab technology. Our robust suite of validated testing services are likely to serve the needs of most Medical Practices, Hospitals and Reference Labs

We collect and deliver our Lab Results through our powerful software suite GoldenPointMD®,. Our platform offers streamlined collection, processing and resulting.

Recently named a **Top 10 Clinical Laboratory by Life Sciences Review**, GoldenPoint continues to lead the industry with innovation and commitment to excellence. Our tagline, **Advanced Technology Powering Faster Results**, reflects our focus on delivering rapid, precise lab results using advanced technology and streamlined workflows.

Comprehensive Testing Services Across Tennessee and Alabama

GoldenPoint offers a broad suite of high-complexity testing, including:

PCR Pathogen Testing

Blood Chemistry Testing

Whole Blood Testing

Microbiology Services

Our validated testing services are designed to meet the needs of medical practices, urgent care centers, and reference labs across **Tennessee**, and our continuing service areas in Alabama. By partnering with GoldenPoint, providers gain access to state-of-the-art testing technology and efficient workflows, supporting consistent, high-quality care for patients of all ages.

Our powerful technology and software applications provides streamlined collection, processing and resulting solutions for our clients.

[/et_pb_text][et_pb_text_builder_version=4.27.4 module_preset=default text_font=Montserrat|300||||| text_text_color=#000000 text_font_size=18px text_orientation=center custom_margin=-12px||||| global_colors_info={}]

Streamlined Laboratory Management with GoldenPointMD,

GoldenPointMD, our secure software platform, allows providers to:

Order tests quickly and accurately

Track specimens efficiently

Receive results in real time

Integration with electronic medical records (EMRs) ensures that results are immediately accessible for clinical decision-making. This is particularly valuable for **pediatric practices and urgent care clinics** where consistent and rapid results enhance patient management and follow-up care.

Accuracy, Reliability, and Efficiency

Our team of trained scientists and laboratory technicians adheres to strict protocols, utilizing next-generation robotic instruments and dedicated PCR lab space to ensure precision and quality. Custom-developed software maintains a secure chain-of-custody for every specimen, giving providers and patients confidence in every result.

the GoldenPoint Difference!

When you work with us, we will offer various options to integrate your specimen orders with our Lab partners. We use bidirectional interfaces to push orders with your requisition and patient documents.

Inversely, results from the Lab are made available to our EMR for Doctors to access real-time, just in time for the patient's next consultation appointment.

- Wide range of next-generation robotic Instruments, equipment and software.
- Highly trained scientists and lab technicians follow a process driven, regimented test methodology.
- Dedicated molecular PCR only lab space.
- Carefully monitored processes by our own custom developed software.
- Our software platforms provide the highest level in process efficiency and chain of custody audit trail for test specimens.

Partner with GoldenPoint for Exceptional Lab Services

Healthcare providers in Alabama and Tennessee benefit from:

- Reliable, timely lab results for a wide range of patients
- Seamless EMR integration with GoldenPointMD[®]
- High-quality PCR, blood chemistry, and microbiology testing
- Efficient workflows to enhance patient care

Whether you are managing routine blood work for pediatric patients, urgent care diagnostics, or complex testing needs, GoldenPoint is committed to supporting **consistent care and improving clinical outcomes**. Our team provides responsive, high-quality services, allowing providers to focus on patient care rather than logistics.

Providers in Alabama and Tennessee interested in learning more about our services or integrating GoldenPointMD[®] into their workflow are encouraged to **contact us today**. Experience the difference of **“Technology Powering Faster Results”** with reliable, accurate, and timely laboratory testing for your practice.
