GoldenPoint Scientific Labs, Pelham, Al is in search of a Medical Laboratory Technician (Night Shift).

Requirements:

- **Must have a Bachelor of Science Degree in either Biology or Chemistry.**
- **Cobas and Roche Diagnostic Experience Preferred.**

Benefits/Perks

- Competitive Compensation
- Great Work Environment
- Career Advancement Opportunities

Job Summary

We are seeking a **Medical Laboratory Technician** to join our team! As a Medical Laboratory Technician, you will be working in a lab with other technicians running tests and procedures using a variety of equipment, following all lab safety guidelines and procedures, and recording results accurately. You will also perform basic maintenance and calibration on the systems you use every day, stock supplies as needed, and maintain a safe, clean working environment at all times. The ideal candidate MUST HAVE a Bachelors Degree in either Biology and Chemistry, Experience with Hematology and running the Roche Cobas 6000 Machine, previous lab experience, and excellent attention to detail.

Responsibilities

- Run a variety of tests and procedures on samples using existing lab equipment
- Calibrate and maintain all equipment used daily, as needed
- Maintain excellent records of all results, and provide comprehensive reports on them to the necessary individual
- Maintain a clean, sterile work environment

Qualifications

- Current certification or the ability to obtain one by the time of employment desired
- Previous lab experience desired
- Strong attention to detail
- Familiarity with lab safety procedures

Benefits

- Dental insurance
- Health insurance
- Paid time off
- Vision insurance

-
  Competitive Pay

-
  Full time – 3rd Shift: 10:00pm – 6:00am

-
  Dependable Transportation

-

National Background Check.
